THANKS Telephone Pioneers!

The Shadeland Chapter of the Telephone Pioneers of America, a national organization of retired AT&T employees, has for several years generously provided gifts to ISD's preschool and elementary-aged students.

A mere "Thank You" cannot express the ISD community's appreciation and gratitude for this multitude of kindnesses to ISD's students.

"Thank You" does not convey the excitement and joy on the faces of the children when they receive their gifts.

Although it can never be enough, it must be said:

Thank You,
Telephone Pioneers of America!

To the ISD Community:

Sometimes it seems like there are not enough hours in the day to accomplish everything we have to do. Eventually we realize that we have become so busy that we don't have time for the people who are really important to us. During the holiday season, we have a special chance to take a break from our daily routine and give a special gift to our friends and families.

That gift is TIME, perhaps the greatest gift of all. Wendy joins me in extending best wishes to you this holiday season and in the coming year.

Thought for the Week:

"There are two kinds of hurt: Negative hurt stems from a desire to destroy; positive hurt stems from a desire to heal. A gentle person never hurts someone unintentionally, but may do so intentionally in a context of respect with the goal being healing. He or she practices civility at all times, in all places."

William Hudnut III, *four-time mayor of Indianapolis and congressman from Indiana's 11th District, currently a senior fellow at the Hudson Institute*

Jay Huff

1993 ISD graduate Jay Huff died in an automobile accident on Friday, December 12.

High School Student Council officers attended the Tuesday, December 14 funeral in Huntington, Indiana, with Assistant Superintendent for Student Life Dan Fitzpatrick and High School Supervising Teacher Linda Lloyd.

Huff, an exceptional athlete, earned Varsity honors in football, basketball, and track. The 1993 ISD Varsity Track Team, of which Jay was a member, won the '93 National Track Team Competition.

Clerc/Gallaudet Day

ISD's Clerc/ Gallaudet Day Program was a smashing success. All who attended were inspired by the program honoring Laurent Clerc and Thomas Gallaudet, the forefathers of Deaf Education in America. Clerc (Deaf) and Gallaudet (hearing) were the first teachers of the Deaf in America, and together founded America's first school, known today as the American School for the Deaf, in Hartford, Connecticut.

The program opened with remarks from the Superintendent, followed by ASL poetry by ISD Middle School students -

Corey Stapp	**Amanda Stidham**	**Nick Wehrling**
Adam Gouvan	**Christina Edwards**	**Sara Reis**
Joshua Powers	**Nikki McCormick**	

The High School presented a skit, "The Founders of American Schools for the Deaf: Thomas Hopkins Gallaudet, Laurent Clerc, and William Willard," performed by;

J.T. Davisson	**Shawn Paige**	**Donald Lynch**
Bob Verkamp	**Charmaine Farrell**	**Denell Reagan**
Christy Ray	**Keri Watkins**	**Sonia Williams**
Stephanie Craig	**Joanna Charpentier**	**Ly Ngo**

A rededication of the unique and original painting, *Gallaudet and Cogswell*, was eloquently presented by ICGUAA President Ted Myhre. He explained the painting's history and his rediscovery of it a few years ago. The painting is the work of a Deaf artist, Marcus Kerr, who donated it to ISD in 1914.

Clerc's Vision: "A day when Deaf People and their language are completely accepted- no more than that, truly welcomed- a part of the family of man, in which God created diversity not to oppress the minority who are different, but to enrich the lives of all," translated by **Nikki McCormick**. The performance touched many hearts and minds!

In closing, Superintendent Laird explained that this had been a special day honoring not only two men but also ISD's Deaf founder William Willard, former student of Laurent Clerc, and that the three all have connections to ISD's Sesquicentennial Celebration.

Then, the day's highlight - the Superintendent dedicated and unveiled a beautiful portrait of Laurent Clerc which he donated to ISD. ISD cheered and fell in love with this wonderful gift painted by Deaf artist Chuck Baird.

Receptions followed. The ceremony itself was done twice, first in the Auditorium for 3rd - 5th graders, Middle School, and High School and then, at the K - 5 Gym for 0 - 5 and K - 2nd graders.

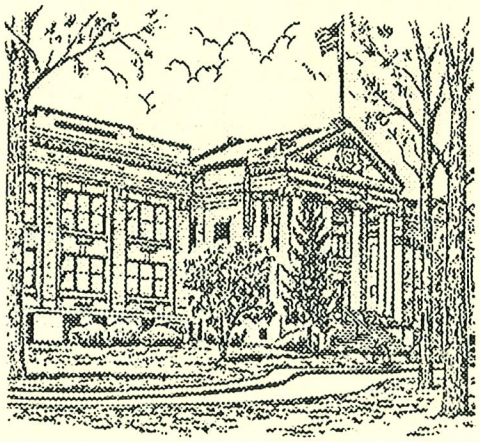
Volunteers Needed

Volunteers are needed for the Parent Workshop (ASL and English in a Bilingual and Bicultural Environment) ISD will offer on Sunday, January 9, 1 - 5 pm. Activities will be offered for all ISD students and siblings. Assistance is needed in arranging and coordinating four hours of programming. Both Deaf and Hearing adults are encouraged to volunteer for this afternoon of activities.

Contact K - 5 Supervising Teacher Laurene Gallimore - 924-4374 ext. 165 (TTY) or VIC Director Kathy Smith 924-8418 (TTY/Voice) for more information or to volunteer.

Staff Help Sought

The committee planning the Parent Workshop on Sunday January 9 would like to provide child care for the parents attending the workshop. In order to do this help is needed to arrange activities and supervise students and siblings during the workshop. If you are interested in helping with this and would like to earn four hours of work "comp" or overtime, please contact your supervisor. For more information contact Laurene Gallimore ext. 165 or Kathy Smith ext. 418. Thanks in advance for your consideration in joining this event.

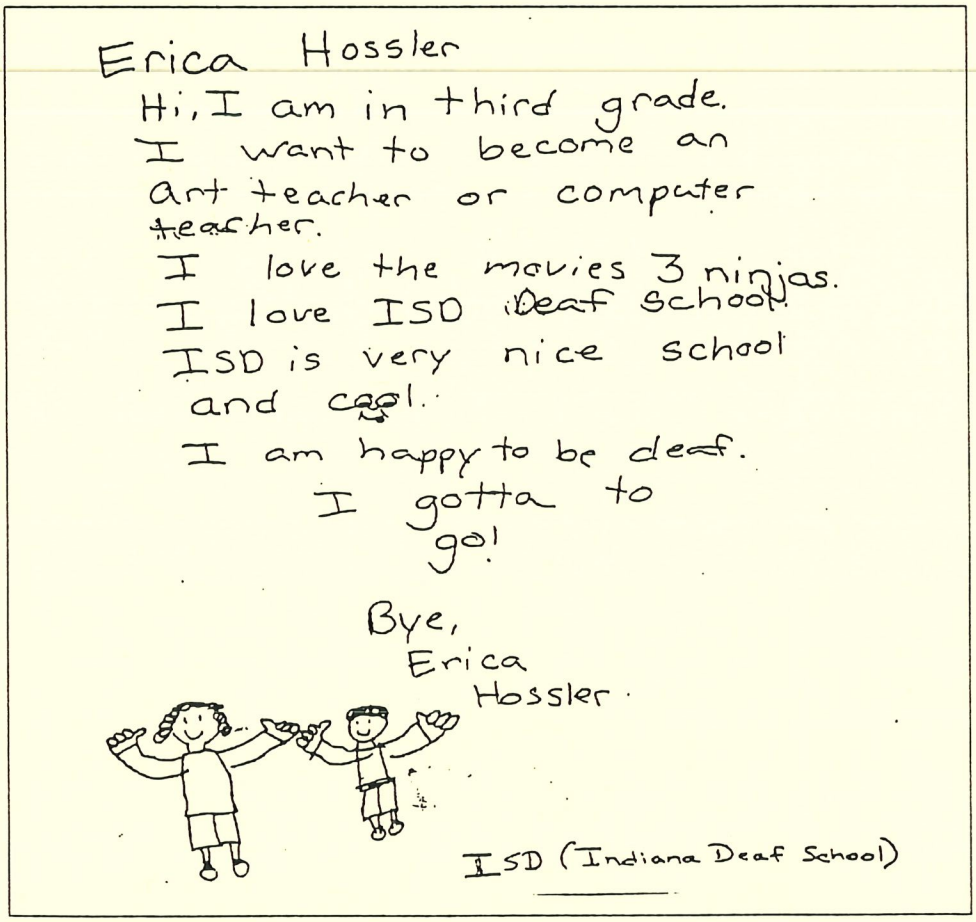


Athletics Update

Congrats to the Intermediate Boys' "B" team on their "payback" win against Northwest 31-26. In the season's previous match-up Northwest bested ISD 28-26! Coach Eric Mansfield reports that the games key players were Justin "Speedy" Wilson with 15 points and Jermaine "Stealer" Vaughn with 12 points. "Congratulations to all the players. They really deserved this win," Coach Mansfield said.

Erica Hossler

ISD 3rd grader Erica Hossler wrote a letter to the NAD Broadcaster which was published in a recent issue. ISD is proud of Erica and the independence of spirit which she represents!



Young Playwrights Call for Scripts

The John F. Kennedy Center fo the Performing Arts' Very Special Arts Program has announced a call for scripts for their 1994 Young Playwrights Program.

Students are encouraged to think and write about issues related to the Americans with Disabilities Act (ADA).

The deadline for script submissions is April 15, 1994. For additional information contact Student Development Center Director Debbie Fetzer (317) 924-4374 ext. 113 TTY.

New National Abuse Hotline

A new National Child Abuse Hotline for use by the Deaf and Hard of Hearing, (800)-2-A-CHILD has been announced by Childhelp USA. This TTY number was made possible with significant funding from IOF Foresters and other gifts. The TTY hotline was established because a high correlation between hearing loss and child abuse has been found.

Thanks

The 0 - 5 Program thanks all the parents who attended the Parent/Teacher Conferences December 2 - 3. It is a big success! Having you involved in your child's life at school means a great deal to your child. We all look forward to the second Parent/Teacher Conferences in the spring! See you all!

Happy Holidays

Transition Workshop Survey

Many thanks to all who returned the Transition Workshop Survey. The response was great! Workshops will be scheduled according to your suggestions. Watch the next Campus Bulletin for the dates and times of the workshops! – Ann Titus

Middle School Math Program

On November 24 from 9 am to 12 pm ISD's Middle School students presented the 7th annual Middle School Math Program. Everyone in attendance was thrilled by the students' performances. The program was both educational and entertaining.

Thanks to all participants for helping to make the program a huge success. ISD is proud of them!

Payroll Office Reminder

December is the time to change "county codes" on payroll and tax reporting forms. This opportunity only comes once a year. Please check pay stubs to ensure that the correct county is reported. If this information needs to be updated, contact Payroll Clerk Kathleen McNeil by December 20.

Library Notes:

The library extends its appreciation and thanks to Robert Downing for donating a videotape of Indiana Relay. This video instructs the user on how to use Indiana Relay's services.

Apologies to the following people whose names were inadvertently omitted from previous issues of the Campus Bulletin:

Thanks to Teresa and Marvin Marshall for displaying their art work in the library during Deaf Heritage Week in September.

Annalee Laird, Linda Jones, and Theresa Huckleberry for lending their dinosaur items to the library during Children's Book Week "Be a Readerouarus" festivities.

These people are appreciated for their time and efforts.

A list of books added to the Alumni Hall Library collection this fall was recently sent to all staff. Please contact Librarian Linda Canty for a copy of the list.

Christmas Day, 1895

by **Mike Reis**

Your Friend at the Gallaudet Archives

At the old Indiana Institution campus (Willard Park) Christmas was a special holiday. However, no one could go home for Christmas, because the school was afraid of an epidemic! A student could catch a disease at home and bring it back to school. In previous years, several students had died from whooping cough, scarlet fever, spinal meningitis, and other diseases. For this reason, the student body has always celebrated Christmas at school since the founding of the institution in 1843.

In the weeks before Christmas students enjoyed walking to the stores in downtown Indianapolis on Saturday afternoons. The large department stores had great window displays of Christmas gifts, family scenes and nativity scenes. Children liked looking at the decorations in the stores and seeing the fancy merchandise on sale. Pupils occasionally bought gifts for parents or teachers, but most had little money and contented themselves "window shopping" in the bustling downtown shopping district.

The school's regular postman, George Sulgrove, delivered the mail every day on horseback. All the students knew him and his horse very well. Pupils' parents mailed gifts to the school to be opened on Christmas Eve. There were so many packages the horse could not carry them all at once.

Each year on Christmas Eve Mr. Sulgrove brought a wagon from the main post office in order to accommodate the increased load. Students watched excitedly from the school's windows, hoping to catch sight of the wagon's approach. When Mr. Sulgrove appeared the pupils flocked down the stairs and steps and greeted him outdoors. Teachers and supervisors pitched-in to transfer the packages from the wagon to the big Christmas tree on the platform in the chapel. Children had to be reminded many times that the packages could not be opened until after dinner!

On Christmas Eve students went to the dining room for Christmas dinner. This was a special meal quite unlike an ordinary day's fare at the Institution. Staff worked hard to ensure a great Christmas dinner every year. Along with the traditional roast turkey with "all the trimmings," students could choose from many desserts, something quite rare at other times of year.

When students finished dinner they returned to the chapel. The lights would be turned off so that everyone could see the big Christmas tree on the platform decked with popcorn, cranberry strings and electric lights.

Suddenly Santa Claus would jump out from behind the tree, to the delight of the smaller children. Older students had a tradition of guessing "Santa's" identity, with a small door prize for the winner. Some years a teacher played Santa, other years a member of the Board of Trustees or a familiar preacher. One year, an older student has secretly played Santa. No one won the door prize that year!

The Institution gave every student a box of candy and an orange, then the teachers called out the children's names and handed-out the presents assembled on the platform. Many students joyfully received gifts from their families and loved ones. Some pupils had not received anything from their parents, and no one knew why. Perhaps their families were too poor, or mailed their packages too late. Whatever the case may have been, every year some of the teachers made dolls and toys for the children who did not receive a package in the chapel.

Some parents who lived in the Indianapolis area came to the school for Christmas dinner and the festivities in the chapel. The remainder of the day was spent in the dormitories enjoying all the special "goodies."

Christmas morning after breakfast a church service was held in the chapel. One or two of the teachers would teach a Sunday School lesson and talk about the meaning of Christmas. Sometimes a local minister would deliver a sermon and a teacher would interpret.

Although students had to be away from their families for the holidays, Christmas at the Indiana Institution was quite a special day!

Staff Advisory Council Task Force

ISD is forming a Staff Advisory Council. This Council will include representatives from across campus and will provide a way for staff to communicate their needs, opinions, etc. to the Superintendent. The Council will be formed late this Spring.

A Task Force has been created to set up the actual Staff Advisory Council. Departments on campus were asked to select representatives for the Task Force. The people on the Task Force are:

Bill Coffey	VIC
Sandy Wright	Unity
Janet Walter	Student Life
Ruth Ann Miller	Student Life
Bob Canty	DCC
Guy Vollmar	DCC
Teresa Huckleberry	ISDUTA
George Houk	FAC
Carol Wild	LRC
Kim Squires	Business Office
Jeff Choate	Education
Cindy Harris	Education
Diana Battiste	FSS.

Dietary, Security, Grounds and Maintenance, and AFSCME decided not to send representatives.

The Task Force will meet twice monthly beginning in January. They will be discussing different issues regarding the Staff Advisory Council each month. Then they will be asking staff for feedback about these issues. Representatives may be asking you:

How often should the Staff Advisory Council meet?

What departments should be represented on SAC? How many representatives from each department?

How should the SAC representatives be selected?

After these issues have been discussed and decided, the Task Force will proceed with the selection of representatives for SAC. This selection process will begin in late March. The deadline for completing the list of representatives is April 26, 1994.

Once you have chosen your representatives for SAC, they will meet with Task Force Members for Orientation and will begin to plan for next Fall.

Remember, your Task Force member will be asking for your input on the questions above. Please give them feedback so the Staff Advisory Council can serve you better!

Celebrate!!!

Check out the bulletin board next to room 135 in Alumni Hall. Each month will feature a new way to "Celebrate." December's theme is "Celebrate Giving." The bulletin board is interactive: it encourages ISD to respond and take part in its creation. Stop by and check it out!

Historical Donation

Mike Reis, ISD class of '70 and an avid historian, recently sent a packet of historical facts to VIC. Mike has compiled the graduating classes for ISD from 1890 to 1935. The source of this information is the Gallaudet Archive's copies of issues of the Silent Hoosier. VIC has a copy of Mike's efforts and will soon have more copies available. VIC extends enormous appreciation to Mike for his time and devotion to ISD. Mike challenges the ISD students to find the graduation classes for 1936 to 1993. Okay, "history buffs," time to meet the challenge and bring history up to date.

0 - 5 Family Discussion Groups

There will be no Family Discussion Groups on Monday evenings. The groups will begin meeting again on January 31, is there is sufficient interest.

Wednesday morning discussion groups will continue to meet from 8:30 - 10:00 am in the Multi-Purpose Room.

Staff Development News

Continuing the Connections: Mathematics/Science/Technology
This is the second annual conference bringing these three disciplines together. This fits in with ISD's focus on Tech Prep. There will be 24 different workshops offered involving integration of the three subject areas at all grade levels. The conference will be held Thursday, February 24 at the Indiana Convention Center. Registration is $ 25 (includes lunch and all materials). Deadline for registration is February 4 .

The goal of the conference is to encourage local education agencies in Indiana to examine their present curriculum content and delivery systems and begin the journey toward educational restructuring to meet student's needs for the Twenty-first Century.

1994 Annual Spring ICASE
The conference will be held February 24 -25 at the Radisson Suites Hotel at Keystone at the Crossing. The title of this year's conference is *"Challenges Facing Special Education Administrators: Legal and Financial Considerations"* Registration is $70 for members and $95 for non-members.

Creating the Spirit of Community Among People with Disabilities, their Families, and Friends
The Indiana Governor's Planning Council for People with Disabilities is sponsoring this on January 4 - 5 at the Westin Hotel. The conference is divided into four tracks with several speakers making presentations on each track, as follows:

1. Promoting Health and Wellness Through National Health Care Reform
2. Empowering Citizens Through Participatory Democracy
3. Investing in the Infrastructure of Access
4. Personal Relationships and Responsive Supports

Registration for parents is $30, $65 for professionals. Meetings begin at 9:00 am and end at 5:15 pm.

Basic Elements of a Due Process Hearing
This Indiana Department of Education sponsored workshop will occur on January 27 at the Holiday Inn North. The program's purpose is to give parents, school personnel, advocates and attorneys an opportunity to view a draft document being prepared by the Indiana Department of Education entitled: *"Basic Elements of a Due Process Hearing."* Each participant in the workshop will receive a draft copy of the document, and will have their name placed on a mailing list to ensure they receive the final version of the document.

Registration for this workshop is $10.00. Lunch is on your own. Registration Deadline is January 14.

Other Workshops:

Putting Priorities First
The New Supervisor's Survival Seminar
How to Make Presentations with Confidence and Power
Human Resources and the Law

Staff attending recent workshops:

Counseling Skills
Jodee Crace Donna Frank

ASL Assessment this month:

Mike McGeath Linda Canty Sara Smith

For more information on any workshop listed in Campus Bulletin see the bulletin board outside Alumni Hall #223 or contact Mary Alice Moon, Coordinator of Staff Development

Special Staff Announcements

With the hectic pace of daily business, some special events have not been properly recognized.

Kathleen McNeil was promoted on August 23 from Clerk Typist 4 to Account Clerk 3.

Michael Montgomery was promoted on November 8 from Maintenance Repairman to Electrician.

Juanita Merchant retired on October 29. Juanita had worked at ISD since 1977 as a teacher's assistant.

Mike Burk and Beverly Cooper started the trend this summer by "tying the knot." Three other ISD weddings have followed: Tamara Austin and Thomas Peterec were married on August 14. On October 9, Suzanne Guimond and Mike McGeath were married. Adreine Gore and Jonas Fenicle were the last to "tie the knot" on November 6. Congratulations to all!

Former ISD Payroll Clerk Keith Selke now lives in Daytona Beach, Florida, and is working as a Teacher's Assistant at a high school there. Keith reports that he enjoys his new duties very much, and especially likes relating to the students. On the day he chose to correspond with the CB, Keith stated that the temperature in Daytona Beach was 80°! Eat your hearts out ISD!

Tech Team Presents

On Wednesday, December 8, the Tech Prep Planning Committee presented background information about TECH PREP. Tech Prep has been legally mandated for schools in Indiana by 1994. This program, which is designed for those students who represent the middle 50% of high school students, is a potentially powerful program. If you were unable to attend the presentation on the 8th, take some time to talk with members of the committee (Rachel Stone, Curriculum Coordinator or Dan Stutler, Tech Prep Planner). The committee is looking for more staff interested in joining the planning discussions. Tech Prep is on the cutting edge of educational reform to bring relevancy to the classroom. A wide range of perspectives will benefit its development, so consider putting some of your energies into creating a better future for ISD students.

The Chairpersons who are looking for Committee Members are:

Applied Communication - David Geeslin and Judy Reynolds
Applied Mathematics - Eric Mansfield and Susan Hocker
Applied Science - Teresa Huckleberry
Applied Technology - Ron Borron and Robert Wilson

LRC Requests

When returning materials to the Learning Resource Center, please leave the name (of the person who checked the materials out) attached to the materials - this makes the process of returning items to the general collection much easier.

Thanks for cooperating!

Sports

1887	1st Sport Played - Baseball
1888	2nd Sport Played - Football
1905	3rd Sport Played - Basketball
1921	1st Girls' Basketball Team Organized - Played 4 games - lost all 4
1936	1st Faculty vs Varsity B'ball game
1941	Students went to the auditorium once a week for song practice. Their favorite was the FIGHT SONG led by Ms. Susan Christian, the Supervising Teacher of the Intermediate Deparment (Middle School), who used a pointer to lead the group.

FIGHT SONG

O when old ISSD falls in line
We're going to win that game another time
And for the Deaf School that we love so well
And for her grand old team we'll yell and yell and yell
And then we'll fight, fight, fight for every score
Come on now boys/girls and give us more and more
And then just watch that score board
See us go! See us go! Rah! Rah! Rah!

This song was very popular in the 1940's and 50's.
